ISRAEL IS AT WAR

WE STAND WITH ISRAEL

Your strong support plays a vital role for the State of Israel and it is being acknowledged by Moody's, the well-known credit rating agency.*

In its "Issuer In-Depth" publication from Nov. 20, 2023, Moody's stated:

"In addition to conventional international bonds, the government typically issues around \$1 billion annually to the Jewish diaspora under its Israel Bond programme, which has provided a stable and reliable source of funding, including during the pandemic when issuances nearly doubled."

Thank you for your investments in Israel, always and especially now.

**Israel Bonds has launched an international campaign to raise funds
